

ABDULMUJEEB AWODI

Frontend Developer

Kwara State, Nigeria — +234 813 378 0225 — awodiabdulmujeeb@gmail.com — [codekid-cyber1](#) — [Portfolio](#)

PROFESSIONAL SUMMARY

Highly experienced and passionate Frontend Developer with 7 years of hands-on experience in designing and building dynamic, responsive, and user-centered web applications. Skilled in React, Next.js, TypeScript, and Tailwind CSS, with strong attention to UI/UX detail and modern design principles. Currently pursuing a B.Sc. in Finance at Kwara State University. Eager to apply extensive project-based experience in a professional environment through an internship or junior developer role, contributing to real-world product innovation and growth.

CORE SKILLS / TECHNICAL TOOLBOX

Languages	JavaScript (ES6+), TypeScript, HTML5, CSS3
Frameworks & Libraries	React, Next.js
Styling & Design	Tailwind CSS, Bootstrap, Figma, UI/UX Design
Tools & Platforms	Git, GitHub, VS Code, Vercel, NPM, RESTful APIs

KEY PROJECTS

Next Portfolio Platform

Technologies: Next.js, TypeScript, Tailwind CSS

- Built a fully responsive personal portfolio site showcasing frontend projects and animations.
- Optimized for performance and SEO using static site generation (SSG) and dynamic routing.
- Designed pixel-perfect UI components directly from Figma prototypes.

E-Commerce React Store

Technologies: React, Redux, Tailwind CSS, REST API

- Developed a responsive e-commerce web app supporting product listings, search, and cart management.
- Integrated external RESTful APIs and improved state management efficiency by 25% using Redux Toolkit.
- Enhanced mobile responsiveness and accessibility for better user engagement.

Weather Dashboard App

Technologies: HTML5, CSS3, JavaScript, Fetch API

- Created a simple, interactive weather dashboard using the OpenWeatherMap API.
- Implemented asynchronous data fetching and real-time location-based weather updates.
- Designed a clean, modern UI with responsive layouts for desktop and mobile devices.

EDUCATION

Bachelor of Science (B.Sc.) in Finance

(Expected Graduation: 2026)

Kwara State University, Malete – Kwara State, Nigeria

Self-Paced Learning

Over 7 years of continuous self-development and practical training in Frontend Development, mastering modern tools and frameworks through real-world projects and collaborations.

CAREER OBJECTIVE

To secure a Frontend Developer Internship or Junior Developer position where I can apply my technical expertise, creativity, and problem-solving skills to develop innovative solutions, gain professional exposure, and contribute to impactful digital products.
